## Wondering if a vineyard is right for you?

Take the day to see what it takes to own and operate a commercial wine grape vineyard in North Texas. We walk you through the process of creating a business model, site selection, selecting cultivars, vineyard economics, trellis and irrigation hardware, and vineyard establishment. Also, a tour of the 40-acre Hidden Hangar Vineyards is included.

Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.
